

SINP In-Demand Occupation List

SINP applicants for the International Skilled Worker sub-categories of Occupations in Demand and Express Entry are required to provide documentation related to professional status or licensure. Please see the list below for these requirements. If this proof is required for your intended NOC code, your application will be held for processing until such proof is provided – all other required documents must be included in your application or your application will be returned as incomplete and your application fee will not be refunded.

These occupations are forecasted to be in-demand in Saskatchewan over the next five years. For more information regarding Saskatchewan's employment demand forecast, please visit our [Labour Market Information](#) page.
